

**Internship and Bachelor Thesis or Master Thesis
in the field of application technology in cosmetics
(6 months)
Based in Germany**

About us:

Symrise is a global supplier of fragrances, flavorings, cosmetic base materials and substances as well as functional ingredients. Its clients include manufacturers of perfumes, cosmetics, food and beverages, the pharmaceutical industry and producers of nutritional supplements and pet food.

With sales of more than € 4.6 billion in 2022, Symrise is among the global leaders in the market for flavors and fragrances. Headquartered in Holzminden, Germany, the Group is represented in over 100 countries in Europe, Africa and the Middle East, Asia, the United States and Latin America.

Symrise works with its clients to develop new ideas and market-ready concepts for products that form an indispensable part of everyday life. Economic success and corporate responsibility are inextricably linked as part of this process.

Symrise – always inspiring more...
